

Inter-Governmental Operations Committee
SB 1546
Sponsor – Senator Gordner

Synopsis

Moves the State Tax Equalization Board to the jurisdiction of The Department of Economic Development.

Summary

This bill adds the language of the State Tax Equalization Board Law into Chapter 15 of the Economic Development Enhancement Act.

Chapter 15 defines the current structure and functions of the State Tax Equalization Board. The Board will continue to function in its current form. All resolutions, orders, regulations, rules and decisions which were made under the State Tax Equalization Board Law will remain in effect. The contracts, obligations and agreements entered into under this law will not be affected by this measure.

The Legislative Reference Bureau has the power to recodify regulations of the State Tax Equalization Board.

*This act shall take effect immediately.
